Hello,

Thank you all for confirming your interest and availability to serve on the Western Water Cooperative Committee. We now all have the members identified. We have a few more administrative items that we need to ask your assistance with as part of the paperwork requirements from DoD that are needed to complete the membership package.

Financial Disclosure Form

Financial Disclosure Management (FDM) is a secure, Army electronic filing (e-filing) system for authorized users to file and maintain required financial interest reports.

1. Everyone on the committee is required to fill out a Confidential Financial Disclosure report, which can be done electronically through the FDM website. Please follow the steps outlined in the attachment to create a Login.gov account using the FDM website and request FDM access.
2. Once you have requested access, please respond to this email. We will add you to the FDM and you will be assigned Form OGE 450 to fill out.

Resume

As part of the membership requirement, you will need to submit a copy of your resume. Please submit your resume when you email to request FDM access.

Ethics Training

Each Committee member will be required to take Ethics training. We will be providing an update on how we plan to offer that.

In order to keep the process moving forward, we request that you (1) create an account and request access to FDM, and (2) submit a copy of your resume by Friday, November 22, 2024. Please submit your resume when you email to request the FDM access.

Please reach out if you have any questions and thank you for your support.

v/r,

Virginia

Virginia K. Rynk, P.E.

HQ, U.S. Army Corps of Engineers

Office: (202) 761-4741
